

FONDAZIONE WILLY BRANDT

***... relaxation of tensions,
cooperation between
peoples, reduction of forces
and arms control, partnership
with those who have hitherto
been the losers, mutual
protection against the danger
of mutual destruction - this
must be possible, and for this
we must work.***

**from Willy Brandt's Acceptance
Speech, on the occasion of the award
of the Nobel Peace Prize in Oslo,
December 10, 1971**

The “Fondazione Willy Brandt - FWB” is an Italian non-profit Institution recognized by decree of the Italian Ministry of Interior of August 4, 2000 (published in the Official Gazette n. 207, September 5, 2000, General Series).

As settled in the Articles of Association, the FWB is aimed at pursuing and developing ideals of social and cultural integration, of general welfare and of diffusion of solidarity and ethical and humanitarian values.

It devotes particular attention to the qualification of human resources in the Mediterranean area, in countries where it is urgent the strengthening of social, political and economic bonds.
